

The DJ Code

As a responsible DJ:

1. I agree to adhere to the National **DO NOT PLAY LIST**.
2. I promise to use all of my resources to provide music that is free of blatant sexual content, bad language, or violence.
3. I agree to always play "radio edited" versions when available and include a variety of musical genres to include all student tastes.
4. Although I cannot single handedly control inappropriate dance behavior, I agree to make announcements when appropriate and work with the administration and chaperones to control freak dancing, grinding and other inappropriate behavior.
